

International Migrants' Day

Under the responsibility of the Forum for the Integration of Migrants (FIMM), CO-HABITER is holding on Saturday, December 17 2011, a stand of information on St Laurent Street in Lausanne.

The objectives, among others, are to bring into light the contribution of migrants to the good functioning of the Swiss Society, and to ask for equality of opportunity according to needs as well as right for equality.

For more information on the Day please follow the link
